

## COMPETITION FORMAT

This league is a 12-13 week competition that caters for male teams. Games are played on Wednesdays. It will begin on Wednesday 16th September and will run through to until the 16th December 2009.

The first round will start at 6.00pm and games will start every 1/2 hour thereafter. Games are 14 minutes each way. To ensure games run on time, please arrive early.

The first week(s) will be grading games so teams can show their talent and be put into sections with teams of similar ability, then there will be a round robin competition followed by semis and finals nights. This format may be amended to best suit the number of teams entered.

## THE DRAW

The draw will be available on our website, [www.edgarcentre.co.nz](http://www.edgarcentre.co.nz), forwarded by e-mail if provided. Any changes to the draw will be notified to the team contact.

## THE COST

A \$55 team registration fee is to be paid by each team prior to the start of the competition.

There is a door charge of \$4.00 per week for adults, \$2.00 for children.

## THE RULES

1. 5 aside : 1 goalie and 4 outfielders.
2. The field is marked by the court lines beside poles and edge of carpet. Dead ball is the yellow line not the back nets. The post cover if hit is deemed out
3. Sub's are roll on roll off by nature including the goalie. You can only make a sub when the ball is out of play.
4. The ball must remain below shoulder height at all times, including keepers throw. An indirect free kick will be awarded from where the ball was kicked. If it was a shot at goal a goal kick will be played.
5. All players must remain on foot, so there are no slide tackles, if this happens a direct free kick will be awarded.
6. Only the goalie is allowed in the semi circle. A goal will not be awarded if a player kicks the ball inside the red lined semi- circle. If a defender enters the semi circle and touches

the ball or enters as a short cut, a direct penalty will be awarded from the top of the circle, with only one step allowed. The goalie must stay on their line. If the ball is on the red line this is playable by both the goalie and outfielders.

7. If your team kicks the ball over your goal line a corner will be awarded from half way, and the defending team must be around the front of their red semi circle.

8. If the ball goes out of play you may either throw it in underarm, or place kick the ball in to play.

9. Because it is difficult for the goalie; any deflections off the goalie will be awarded a goal kick, unless the deflection remains in the field of play and below shoulder height.

10. **Indirect Free Kick.** High ball, accidental hand ball.

11. **Direct Free Kick.** Deliberate hand ball, foot trip/ tackle from behind, player obstruction & slide tackle.

12. **Penalty.** Defender inside semi circle, keeper outside of semi circle. Dangerous tackles preventing a shot at goal .  
(Players to be 2m back from all Free Kicks/ and Penalties)
