

Covid Orange Level Information

Please note that from Friday 3 December the Edgar Centre will require a vaccine pass to be shown on entry if you are 12 years old or over. Anyone not able to show a valid vaccine pass on entry will not be allowed in to our venue.

There may be some time delays getting into the facility and we ask that you respect our staff who will be monitoring vaccine passes on entry as we move into the new framework.

Under the orange and green levels we no longer need zoned areas and spectators can return.

A face mask must be worn on entry and exit, but this can be removed when playing sport. QR scanning or signing in is also required.

We appreciate your co-operation in complying with these rules, which allow us to get back to near normal activity within the Centre.
